737ng cockpit companion While the digital iPad version of the Cockpit Companion contains most of what you will find in the physical copy, the physical book does contain more intricate information. The 737NG version covers the Boeing 737 Next Generation aircraft, including the 737-600, -700, -800, -900, and both BBJs.

The Bill Bulfer Books | my737NG

In this section of the manual, the cockpit will be broken down into distinct functional areas, and the controls that are featured in those areas will be identified and described. This will assist in locating the necessary instruments and controls later, when working through the aircraft check lists, and flying the aircraft.
