Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

African Blood For Imperialist Interests

In reality, these leaders shed African blood to satisfy imperialist interests. Like the first scramble, political actors in Africa have failed to perceive this second scramble and its agenda of establishing neocolonies for the exploitation of the human and material resources of the continent. The arms being poured in are not for free.

Decolonising the Mind: the Politics of Language in African Literature (Heinemann Educational, 1986), by the Kenyan novelist and post-colonial theorist Ngũgĩ wa Thiong'o, is a collection of essays about language and its constructive role in national culture, history, and identity. The book, which advocates linguistic decolonization, is one of Ngũgĩ's best-known and most-cited non-fiction ...

Decolonising the Mind - Wikipedia

Between the 1870s and 1900, Africa faced European imperialist aggression, diplomatic pressures, military invasions, and eventual conquest and colonization. At the same time, African societies put up various forms of resistance against the attempt to colonize their countries and impose foreign domination. By the early twentieth century, however ...

The Colonization of Africa - Online Exhibitions

Thus, when all the lies are separated from the objective empirical matter, the imperialist adventure in Libya was predicated on Gaddafi's alleged use of black African mercenaries to, as the media merchants of death put it, "kill his own people" – a ubiquitous form of words that has entered the political lexicon as justification for the removal of leaders of weaker nations who are antithetical to the interests of empire. The myth of the blood-thirsty black African mercenary butchering ...
