relationship between happiness and academic achievement.

It's true: happier students get higher grades

I'd rather have a nice long dinner with a friend if I can, but during a busy week, catching a 45-minute coffee during the day is better than not seeing friends at all. I love biking, but it requires more time than I have most weeks, so I've picked up running (reluctantly), since I can do it when I just have 20 minutes.
