Dp Architects On Orchard Road

DP Architects is founded on a deep concern for the built environment and a conscious effort towards creating architecture of excellence that enriches the human experience and spirit. One Global Studio

DP Architects

Paragon Shopping Mall – located at the geographical mid-point of Orchard Road, it is well positioned as an upmarket shopping mall. Project DP Architects designed three additions and alterations – in 1999, 2003 and 2009 – each re-establishing the mall's relationship with Orchard Road by means of increasing levels of transparency, façade articulation and circulatory connectivity.

DP Design

Orchard Road DP has designed, retrofitted and reworked nearly 30 projects on and around Orchard Road, redeveloping an entire shopping corridor and contributing to Orchard Road's transformation into one of Singapore's, and Asia's, great urban spaces; a rare example of the long-term influence of a single design firm on an urban centre.

Wisma Atria's 2004 facelift can be considered the transition point for DP Architects' retail design direction towards the extroverted urban mall typology found in Orchard Road today. A façade expansion created new visual and functional links between the interior retail space and exterior promenade; the use of glass increased transparency and an external escalator connected upper retail storeys directly to the street – design moves that comprehensively resituated a 1980s retail mall as ...

Regeneration and Retrofitting - A fresh and distinctive ...

Led by the architecture firm DP Architects, the makeover was completed in December 2008. Paragon emerged with a contemporary facade. The renovation was also in step with the URA's call to building owners to create more interesting and unique building facades to enhance the vibrancy of Orchard Road.
