Efraim Karsh makes a compelling case that the internal history of the Islamic world is one of imperialist conflicts. Despite Muhammad's admonition, Muslim fought Muslim more often than he fought crusader, and the crusades were a parochial event.

Islamic Imperialism: A History: Amazon.co.uk: Karsh ...

The author explores the history of Islam s imperialism and the persistence of the Ottoman imperialist dream that outlasted World War I to haunt Islamic and Middle Eastern politics to the present day. September 11 can be seen as simply the latest expression of this dream, and such attacks have little to do with U.S. international behavior or policy in the Middle East, says Karsh.

Islamic Imperialism: A History, by Efraim Karsh. New Haven and London: Yale University Press, 2007 (updated edition). 284 pp. \$17.00 (paperback). Since 9/11, cultural critics and religious apologists have argued the question of Islam's militaristic nature: Is Islam inherently violent, or is it a peaceful religion corrupted by today's Islamic terrorists?

Review: Islamic Imperialism: A History, by Efraim Karsh ...

Professor Karsh's "Islamic Imperialism" is a splendid work that comprehensively outlines the sweeping, bloody history of Islamic conquest since the time of the Prophet. Karsh does an excellent job of illustrating Muhammad's practical 7th century concerns that were ultimately resolved by his pragmatic blending of extreme monotheism with imperialistic politics and tribal customs.
