This Nuke visual effects training course will take you through the fundamental concepts of VFX Compositing in Nuke, and how to learn the user interface. By the end of the course, you will successfully be able to composite what would be considered a "Junior Digital Compositing" shot.

Introduction to Nuke VFX Compositing: The Essentials ...

There was no Nuke specific book prior to this edition, and "Nuke 101" fills a much needed gap. Clearly written and easy to follow, although a little more foundation in the basics of compositing might be useful before tackling this book. Recommended for intermediate users, or those looking to transition from one compositor to Nuke.
