Schools that require students to complete a practicum or internship usually give college credit for the experience. Often, students must turn in regular assignments to a supervising professor to get the college credit they need. Other times, the learner only has to show proof of attendance. Internships often work in much the same way.

Internships and Practicums | Psychology.org

“Practicum” is an academic term, so we recommend that students use the more common term “internship” when looking for these opportunities. Internships with sport organizations can be completed for practicum credit and some practicums offer students more responsibilities than others.
