Lever 1: Relationships - we can't expect our students to return joyfully, and many of the relationships that were thriving, may need to be invested in and restored. We need to plan for this to happen, not assume that it will. Reach out to greet them, use the relationships we build to cushion the discomfort of returning.

The Gait Guys

Let's be real for a moment. During my first year teaching I did a terrible, horrible, rotten job at teaching writing. My students (3rd graders at the time) were not assessed on writing, and I really didn't know how to teach writing at that point in my career (especially since my students seriously struggled with all things literacy when they came to me).
