A Computer Science portal for geeks. It contains well written, well thought and well explained computer science and programming articles, quizzes and practice/competitive programming/company interview Questions.

## **Theory Of Computation and Automata Tutorials - GeeksforGeeks**

A theory requires mathematics, and machine learning theory is no exception. But, as this is intended to be only a simple introduction, we will not be delving too deep into the mathematical analysis. We'll focus more on the intuition of the theory with a sufficient amount of math to retain the rigor.
